

BIRRARUNG

WELCOME ON BOARD BIRRARUNG

Birrarung is the stunning new addition the Melbourne Boat Hire family. Her name is Aboriginal for Yarra River and she is a breathtaking beauty. Hand crafted in the Docklands, Birrarung first set sail in 2010 and is licensed to comfortably hold up to 35 passengers. Birrarung is the stylish choice for cruising around Melbourne's major landmarks.

Her looks are guaranteed to impress. The luxurious open space saloon with wrap around plush seating feels more like the interior of a fancy hotel than a boat. The undercover area with tables and chairs is opposite a modern kitchen and bar. The wood paneling adds to the feel of understated elegance and the generously sized bathroom is sure to impress.

Operated by a qualified, highly-skilled Captain and crew member, we'll take the best care of you and your guests. Birrarung has everything you need for a great day out – an oven, bridges and an icemaker, high quality glassware, sinks and hot water. She even has WIFI. If you're in the party spirit, we have a range of music playlists pre-programmed in our SONOS sound system. And you can also link it to your own device.

While the majority of Birrarung is enclosed, there's outdoor padded seating that's the perfect spot to watch a glorious Melbourne sunset. If the weather takes a turn for the worse, we can easily close the outdoor area up.

As well as being a stunning looking vessel, Birrarung is the only hybrid charter boat operating in Melbourne, and this diesel electric technology ensures a smooth cruise on the city's waterways. She is, of course, fully compliant with safety requirements. Birrarung has been specially designed to sail under low bridges, which is why we have several cruise route options open to us: The Yarra River, the Maribyrnong River and Hobsons Bay. Birrarung is available for charter seven days a week.
